EXPLANATION OF CODE
000-00-00-0
First three digits at left indicate school district
Next two digits indicate:
1 through 19 = Cities
30 through -- = Special Districts
Next two digits indicate fire district
Last digit on right indicates sewer district

By Act of the 1965 Legislature \$15,941,228.00 has been distributed from the Local Property Tax Relief Account, as relief for local property taxes. Because of this tax relief, the millage is 4.21 mills less than it otherwise would be. Marion County's net share of this relief is \$931,798.00.

Senate Bill 9 enacted by the 1967 Legislature provides that the tax shall be expressed in dollars and cents per thousand dollars of assessed valuation. It also provides that the valuation shall appear at 100 % of market value, for next year and thereafter, rather than the present 25% ratio. This specific change will have no effect on the amount of tax.

Senators Bill 9 enacted by the 1967 Legislature provides that the tax shall be expressed in dollars and cents per thousand dollars of assessed valuation. This specific change will have no effect on the amount of tax.

Senators Bill 9 enacted by the 1967 Legislature provides that the tax shall be expressed in dollars and cents per thousand dollars of assessed valuation. It also provides that the valuation shall appear at 100 % of market value, for next year and thereafter, rather than the present 25% ratio. This specific change will have no effect on the amount of tax.
