Dear Property Owner(s):

All or part of your property, identified above, is receiving or may qualify for special assessment status. In order to help us verify that there is qualifying use, please provide the following information and documentation, **preferably digitally if possible**. Please respond within 30 days from the date of this letter.

- What are the farm/forest activities this property is currently engaged in? while living here we had goats to maintain land in woods & planted trees. Receipts attached
- How many acres are being utilized for these farm/forest activities? Assesor said another 1.02 acres to e
- Is the property leased? If so please provide the tenant farmer's name and contact information. No lease
- Please include photos/copies of any related documentation you may have, such as receipts for livestock/seed/planting or related purchases.
- Please include photos of the property being used. These photos may be of livestock and/or planted fields. Please include a couple different photos that give a general idea of the size and location of where they were taken. This can be done by including buildings or ponds in the pictures if available. Anything that helps us get a better idea of what is taking place, where it is taking place, and how much (land) is being used.
- You may include an email address or phone number you would like for us to use in case there are follow up questions or further clarification is needed.

This documentation will help us confirm your use. Failure to do so may be treated as "no farm/forest evidence provided" and may be followed up by either an onsite review or the disqualification of the property. Only portions of the property actively engaged in acceptable farming/forestry practices, with the intent to make a profit in money, qualify to be specially assessed. Any property receiving special assessment, not employed in an acceptable farming/forestry practice, will need to be **disqualified** from special assessment.

Should you have any questions, you may contact me at (503) 584-4726 or by e-mail at wvital@co.marion.or.us.
