Through the Local Property Tax Relief provision enacted by the 1965 Legislature, \$21,926,354 has been distributed as relief for local property taxes. Because of this tax relief, the millage is 1.30 per thousand dollars of assessed value less than it otherwise would be. Marion County's net share of this relief is \$1,312,831.

Senate Bill 9 enacted by the 1967 Legislature provides that the tax rate shall be assessed in dollars and cents per thousand dollars of assessed valuation. It also provides that the valuation shall be based at 100% of market value rather than the previous 25% ratio. This specific change will have no effect on the amount of tax.
